To our dearest friends and family,

50 years is a long time for any business. We are honored to be one of those who have made it through so many impactful events that have caused shifts in the economy, society, and the industries that we work in.

Can you believe that since we were founded in 1968, we have experienced:

- 11 Presidents
- 2 Oil Booms
- 8 Major storm flooding events
- 2 Economic Recessions
- 3 Major Wars

Nothing can prepare you fully for the changes that come as a result of these major events; good or bad. What helps you get through them, is when you have a strong bond with community. We have been blessed with friends who have not only empowered us with opportunity, but have always been there to support us and work alongside us when these difficult times arise.

Our love and desire to help others succeed has been a driving force in our corporate vision and service to the people and its future. We appreciate that the success and honor of serving has been a gift from all of you who have been the inspiration to our goals and achievements.

As we say in our story of Meador, "We have stood by our mission since 1968". It is because of you that we are all connected. It is you who have given us the chance to celebrate 50 years of wonderful memories today, and we thank you.

We celebrate and honor everyone who has had a hand in our success. To our family, our peers, our community, our clients, and employees...you are the future of Meador Staffing Services; woven into the journey that brought us here and you have shaped each step in the path from this day forward.

Very sincerely,
